PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS
To Be Held May 16, 2005

INTRODUCTION

Our Board of Directors is soliciting your proxy to encourage your participation in the voting at the annual meeting and to obtain your support on the proposals being voted on. You are invited to attend the annual meeting and vote your shares directly. However, even if you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the meeting on your behalf. Our principal executive offices are located at 5300 Town and Country Blvd., Suite 500, Frisco, Texas 75034.

This Proxy Solicitation

There are two parts to this solicitation: the proxy card and this proxy statement. The proxy card is the means by which you actually authorize another person to vote your shares in accordance with your instructions. We are first sending the notice, this proxy statement, and the proxy card on or about April 19, 2005 to all stockholders entitled to vote.

This proxy statement provides you with a variety of information on the proposals and other matters that you may find useful in determining how to vote. It is divided into six sections following this Introduction:

- "Voting," page 2
- "Security Ownership of Certain Beneficial Owners and Management," page 3
- "Proposals to be Voted Upon," page 4
- "Corporate Governance Matters," page 6
- "Executive Compensation," page 8
- "Other Matters," page 16

For your reference, a table showing the performance of our common stock over the past five years is included on page 15.

We are soliciting your proxy for the 2005 annual meeting and will pay for soliciting these proxies. Our directors, officers and employees may solicit proxies in person, by telephone or by other electronic means of communication. We have also retained American Stock Transfer & Trust Company to assist in distributing proxy solicitation materials. We will reimburse brokers and other nominees for reasonable out-of-pocket expenses they incur in forwarding these proxy materials to you if you are a beneficial owner.

The Annual Meeting

The annual meeting will be held on Monday, May 16, 2005 at the Westin Stonebriar Resort in Frisco, Texas, beginning at 10:00 a.m. local time. A quorum of stockholders is necessary to hold a valid meeting. A majority of our common stock must be represented at the annual meeting, whether in person or by proxy, for a quorum to exist.

Abstentions and broker non-votes will be counted in determining whether or not there is a quorum at the annual meeting. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on other matters because he does not have the authority to do so. Abstentions and broker non-votes will not be counted when tabulating the votes cast on the election of the directors.

Stockholders

On April 14, 2005, we had 40,718,322 issued and outstanding shares of common stock, held by approximately 7,500 beneficial stockholders. Such shares are eligible to vote at the annual meeting.

You are entitled to one vote at the annual meeting for each share of our common stock that you owned of record at the close of business on April 14, 2005. The number of shares you own (and may vote) is listed on the enclosed proxy card.

VOTING

How to Vote Your Shares

You may vote your shares at the annual meeting in person or by proxy. To vote in person, you must attend the annual meeting, and obtain and submit a ballot, which will be provided at the meeting. To vote by proxy, you must complete, sign, date and return the enclosed proxy card.

The proxy card is fairly simple to complete, with specific instructions right on the card. By completing and submitting it, you will direct the designated persons (known as "proxies") to vote your shares at the annual meeting in accordance with your instructions. The Board of Directors has appointed M. Jay Allison and Roland O. Burns to serve as the proxies for the annual meeting.

Your proxy will be valid only if you sign, date and return it so that it is received before the annual meeting. If you complete all of the proxy card except the voting instructions, then the designated proxies will vote your shares "for" the election of the nominated directors and "for" the ratification of Ernst & Young LLP as our independent registered public accounting firm. If any nominee for election to the Board of Directors is unable to serve, which is not anticipated, or if any other matters properly come before the meeting, then the designated proxies will vote your shares in accordance with their best judgment. The Board of Directors knows of no matters, other than those described above, to be presented for consideration at the annual meeting.

You may revoke your proxy at any time *before it is exercised* by any of the following means:

- Notifying our Corporate Secretary in writing of such revocation;
- Submitting a properly completed and later dated proxy; or
- Attending the annual meeting and voting in person. Your attendance at the annual meeting will not by itself revoke a proxy; you must vote your shares at the meeting for your proxy to be revoked.

Where to Find Voting Results

We will publish the voting results in our Quarterly Report on Form 10-Q for the second quarter of 2005, which we intend to file with the Securities and Exchange Commission in August 2005.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth stockholder information as of April 14, 2005, for persons known to us to be large stockholders (5% or more), directors or executive officers. Ownership of our common stock is shown in terms of "beneficial ownership." A person generally "beneficially owns" shares if he has either the right to vote those shares or dispose of them. More than one person may be considered to beneficially own the same shares. In this proxy statement, unless otherwise noted, a person has sole voting and dispositive power for those shares shown as beneficially owned by him. Shares shown as beneficially owned by our directors or executive officers include shares that they have the right to acquire by exercising options on or before June 13, 2005. The percentages shown in this proxy statement compare the person's beneficially owned shares with the total number of shares of our common stock outstanding on April 14, 2005 (40,718,322 shares) plus the number of unissued shares as to which such person has the right to acquire voting or dispositive power on or before June 13, 2005.

PROPOSALS TO BE VOTED UPON

(1) Election of Directors

On the agenda for the annual meeting will be the election of two Class B directors each to serve a term of three years beginning at this annual meeting. The nominees receiving the greatest number of votes cast will be elected. So, if you do not vote for a particular nominee on your proxy card, your vote will not count either "for" or "against" the nominee. A "broker non-vote" will also have no effect on the outcome since only a plurality of votes actually cast is required to elect a director. Our Board of Directors presently consists of six members comprised of three classes (Class A, B and C). Directors are elected in classes to serve terms of three years. The current Class B directors, whose terms will expire at the annual meeting, are M. Jay Allison and David W. Sledge. The Class C directors, whose terms expire in 2006, are Roland O. Burns and David K. Lockett. The Class A directors, whose terms expire in 2007, are Cecil E. Martin, Jr. and Nancy E. Underwood.

(2) Ratification of Appointment of Independent Registered Public Accounting Firm

The Board of Directors, upon the recommendation of the audit committee, has appointed Ernst & Young LLP as our independent registered public accounting firm to audit our consolidated financial statements for 2005. Stockholders are being asked to ratify this appointment. Ernst & Young LLP has served Comstock in this capacity since 2003. Representatives of Ernst & Young LLP are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so, and will be available to answer your questions.

The Board of Directors recommends that stockholders vote FOR such ratification. Proxies solicited by the Board of Directors will be so voted unless stockholders specify otherwise in their proxies.

The affirmative vote of the holders of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting is necessary for ratification of the appointment of the independent registered public accounting firm.

CORPORATE GOVERNANCE MATTERS

Corporate Governance Principles and Code of Business Conduct and Ethics

The Board of Directors has adopted a set of corporate governance guidelines and a code of business conduct and ethics. The governance principles and the code are available on our website at <http://www.comstockresources.com>, and are available upon written request to our corporate secretary.

Determinations of Director Independence

Under rules adopted by the New York Stock Exchange ("NYSE"), we must have a majority of independent directors. No board member qualifies as independent unless the Board of Directors affirmatively determines that the director has no material relationship with us (either directly or as a partner, shareholder or officer of an organization that has a relationship with us). In evaluating each director's independence, the Board of Directors considers all relevant facts and circumstances and relationships and transactions between each director, his or her family members or any business, charity or other entity in which the director has an interest and us, our affiliates, or our executives. As a result of this review, the Board of Directors affirmatively determined that the external nominee for director at the 2005 Annual Meeting is independent from us and our management. Of the directors continuing in office, the board has determined that Messrs. Lockett, Martin, Sledge and Ms. Underwood are independent according to the NYSE's rules.

Board of Director Meetings and Committees

Our Board of Directors held eight meetings during 2004. During 2004, we had four standing committees: the audit committee, the compensation committee, the corporate governance / nominating committee and the executive committee. During 2004, the audit committee held nine meetings and the compensation committee and the corporate governance / nominating committee each held one meeting. The executive committee did not hold any meetings in 2004. All of our directors attended all of the board and their respective committee meetings during 2004, except one director was not in attendance at one audit committee meeting. All of our directors are strongly encouraged to attend the annual meeting of stockholders. All but one of our directors attended the 2004 annual meeting of stockholders. Each of the independent directors presides at the executive sessions of non-management directors on a rotating basis.

Adoption of Written Charters

On July 31, 2003, the Board of Directors adopted new charters for the audit committee, the compensation committee and the corporate governance / nominating committee. A copy of the charter for each committee is available on our website at <http://www.comstockresources.com>. The charters of these committees are also available upon written request to our corporate secretary.

The Audit Committee

The primary responsibility of the audit committee is to assist the Board of Directors in overseeing management and the independent registered public accounting firm in fulfilling their responsibilities in the financial reporting process of our company. The members of the audit committee are Messrs. Martin (Chairman), Lockett and Sledge.

The Board of Directors, in its reasonable business judgement, has determined that all three members of the audit committee are independent under the listing standards of the NYSE and the rules of the Commission. In addition, the Board of Directors has determined that Mr. Martin is an "audit committee

financial expert," as such term is defined in Item 401(h) of Regulation S-K promulgated by the Commission. Please read the "Audit Committee Report" included in this proxy statement for additional information.

Compensation Committee

The primary duties of the compensation committee are to assist the Board of Directors in establishing remuneration arrangements for executive officers and directors and to administer our executive compensation programs. The members of the compensation committee are Messrs. Sledge (Chairman), Lockett and Martin.

The Board of Directors, in its reasonable business judgement, has determined that all three members of the compensation committee are independent under the listing standards of the NYSE and the rules of the Commission. None of the members of the compensation committee are, or have been, employees of Comstock, or are employees of any entity for which an executive officer serves on the Board of Directors. Please read the "Compensation Committee Report on Executive Compensation," included in this proxy statement for additional information.

Corporate Governance / Nominating Committee

The primary duties of the corporate governance / nominating committee are to assist the Board of Directors in identifying and evaluating candidates for members on our Board of Directors and to nominate candidates for election to our Board of Directors. The members of the corporate governance / nominating committee are Messrs. Lockett (Chairman), Sledge and Ms. Underwood.

The Board of Directors, in its reasonable business judgement, has determined that all three members of the corporate governance / nominating committee are independent under the listing standards of the NYSE and the rules of the Commission.

Director Nominations Process

As indicated above, the nominating functions of the Board of Directors are handled by the corporate governance / nominating committee pursuant to its charter. In evaluating nominees for membership on the board, the corporate governance / nominating committee applies the board qualification standards set forth in our corporate governance guidelines. Under these qualification standards, the corporate governance / nominating committee will take into account many factors, including education, business, governmental and civic experience, diversity, communication, interpersonal and other required skills, independence, wisdom, integrity, an understanding and general acceptance of our current corporate philosophy, a valid business or professional knowledge and experience that can bear on our problems and deliberations, an inquiring mind, the willingness to speak one's mind and ability to challenge and stimulate management, future orientation and the willingness to commit the required time and energy.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the corporate governance / nominating committee may consider such other factors as it may deem are in the best interests of us and our stockholders. The corporate governance / nominating committee evaluates each individual in the context of the Board of Directors as a whole, with the objective of recommending nominees who can best perpetuate the success of the business, be an effective director in conjunction with the full board, and represent stockholder interests through the exercise of sound judgement using their diversity of experience in these various areas.

Our corporate governance / nominating committee regularly assesses the appropriate size of the Board of Directors, and whether any vacancies on the board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the corporate governance / nominating committee will consider various potential candidates who may come to the attention of the committee through current

board members, professional search firms, stockholders or other persons. Each candidate brought to the attention of the corporate governance / nominating committee, regardless of who recommended such candidate, is considered on the basis of the criteria set forth in our corporate governance guidelines.

As stated above, the corporate governance / nominating committee will consider candidates proposed for nomination by our stockholders. Stockholders may propose candidates by submitting the candidate's name and qualifications for board membership to: Corporate Governance / Nominating Committee, care of Roland O. Burns, Corporate Secretary, Comstock Resources, Inc., 5300 Town and Country Boulevard, Suite 500, Frisco, Texas 75034. Although the corporate governance / nominating committee does not require the stockholder to submit any particular information regarding the qualifications of the stockholder's candidate, the level of consideration that the corporate governance / nominating committee will give to the stockholder's candidate will be commensurate with the quality and quantity of information about the candidate that the nominating stockholder makes available to the committee.

Director Compensation

In 2004, our non-employee directors received directors' fees of \$47,500 per year. In addition, the chairman of each committee received an additional retainer as follows: audit - \$25,000, compensation - \$10,000 and corporate governance / nominating - \$5,000. In 2005, the director fees for our non-employee directors will increase to \$52,500. The additional retainer paid to the chairman of each committee will remain the same, except the additional retainer to be paid to the audit committee chairman which was increased to \$30,000. Each director also receives an option to purchase 20,000 shares of common stock when the director is initially elected or appointed to the Board of Directors and receives an option grant each year at the annual meeting to purchase an additional 10,000 shares of common stock. In addition, we reimburse our directors for expenses, including travel, they incur in connection with attending board or committee meetings. Executive officers of Comstock do not receive additional compensation for serving on the Board of Directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors and persons who own more than 10% of our common stock to file with the Commission and the NYSE initial reports of ownership of our common stock and other equity securities, and reports of certain transactions in our securities. Such persons are required by the Commission regulations to furnish us with copies of all Section 16(a) forms they file. The Commission regulations require us to identify anyone who filed a required report late during the most recent fiscal year. Based upon a review of these records and amendments thereto, all of these filing requirements for 2004 were timely met except that Mr. Lockett filed late three Form 4s, and therefore did not timely report a total of three transactions.

EXECUTIVE COMPENSATION

This section provides summary information regarding the compensation of M. Jay Allison, our Chairman of the Board of Directors, President and Chief Executive Officer, and our four most highly compensated officers other than Mr. Allison, who are Roland O. Burns, our Senior Vice President, Chief Financial Officer, Secretary and Treasurer; Mack D. Good, our Chief Operating Officer; Richard G. Powers, our Vice President of Land; and Michael W. Taylor, our Vice President of Corporate Development (collectively, the "named executive officers").

The named executive officers had their salaries reviewed and established in 2004 for 2005. This is consistent with our compensation principles for executive officers which is described in more detail in the Compensation Committee's Report on Executive Compensation on page 11. In 2005, the named executive officers received cash bonuses for their performance in 2004. In 2004, we awarded a total of 235,000 shares

of restricted stock to the named executive officers. The executive officers receive medical, group life insurance and other benefits including matching contributions under our 401(k) plan that are available generally to all of our salaried employees.

The following table sets forth certain information regarding compensation earned during each of our last three fiscal years by each of the named executive officers.

Employment Agreements

Effective June 1, 2002, we entered into employment agreements with M. Jay Allison, our President and Chief Executive Officer, and Roland O. Burns, our Senior Vice President, Chief Financial Officer, Secretary and Treasurer. Under the agreements, we have agreed to employ each of Messrs. Allison and Burns for a term of three years. As of each anniversary of the agreements, the agreements will automatically be extended for an additional year, so that the remaining term of the agreements will be three years as of each June 1. The agreements provide that the base salary for Messrs. Allison and Burns will be no less than \$375,000 and \$250,000, respectively. Each of the agreements provides for the payment of severance benefits if the employee is terminated without cause, in an amount equal to 150% of his salary and bonus for the fiscal year, plus continued medical benefits for 18 months. If there is a change of control of Comstock and the executive terminates employment within six months thereafter (or is terminated by Comstock without cause at any time thereafter), the severance benefit payable to the employee is 300% of his salary and highest annual bonus.

Supplemental Executive Retirement Plan

In 2001, we adopted a supplemental retirement plan called the Executive Life Insurance Plan. The purpose of the Plan is to provide supplemental retirement benefits to all of our executive officers. Under this plan, we contribute five percent (5%) of each participant's annual compensation to purchase a variable universal life insurance policy. During employment, the participants may designate a beneficiary to receive payment of the death benefit (reduced by the amount of the premiums paid by us, which are repaid to us), but have no rights of ownership in the policy. Upon a participant's retirement on or after January 1, 2006, or upon a change of control of Comstock, the policy will be transferred to the participant.

Compensation Committee Report on Executive Compensation

Executive Compensation – Philosophy and Program Components

Our philosophy is to provide a comprehensive compensation program to attract, retain and reward key members of management who contribute to our success and to motivate the management team in the development and execution of current and long-term business strategies and goals. The three primary components of our executive compensation are base salary, cash bonuses and stock-based incentives. Stock options and restricted stock grants are made available to key employees under the 1999 Long-term Incentive Plan. Executives also participate in certain benefit plans available to all salaried employees. We believe that a significant portion of our executive officers' compensation should be linked to our stock's performance and, in keeping with that objective, a substantial portion of the compensation package is comprised of restricted stock grants. Comstock's strategic and operating financial results in 2004 exceeded the Board of Directors' goals for the year. In view of these results, the compensation committee believes the compensation paid to our executive officers in 2004 was appropriate.

Base Salary

In 2004, base salaries for executive officers were based upon the individual's responsibilities, experience and expected performance, taking into account among other things, the individual's initiative, contributions to Comstock's overall performance, managerial ability and handling of special projects. These same factors are applied by the Chief Executive Officer, with the assistance of the executive officers, to establish base salaries for other key management employees. Base salaries for executive officers generally are reviewed annually for possible adjustment, but are not necessarily changed that often. The compensation committee also uses industry comparisons to ensure that the base salaries for the executive officers remain competitive in keeping with the objective of retaining key members of management.

Bonuses

In 2004, the compensation committee approved cash bonuses for key employees based on Comstock's performance during 2004. The compensation committee reviewed the 2004 bonus awards to the employees that were recommended by our Chief Executive Officer and approved them without change.

Stock-Based Awards

Comstock's named executive officers and other key employees are eligible to receive stock-based awards under the 1999 Long-term Incentive Plan. The objectives of the plan are to attract and retain key employees, and to motivate them to achieve long-range goals. Awards in 2004 to executive officers consisted entirely of restricted stock grants. Other key employees received stock options. Because the employees value from stock-based awards is based on our stock price performance, the compensation committee believes stock-based awards create a strong incentive to improve long-term financial performance and increase shareholder value. Stock-based awards are forfeitable if such individuals do not remain employees for the vesting period, which is typically a four year period.

Chief Executive Officer Compensation

For his performance in 2004, a cash bonus was paid to Mr. Allison. As with all executive officers, Mr. Allison's bonus compensation is linked to individual performance and our corporate performance. Mr. Allison also received a long-term award of restricted stock grants of 100,000 shares which will not vest until January 1, 2009. Based upon the strategic accomplishments of Comstock and the individual achievement of Mr. Allison, the compensation committee believes that the salary, bonus and restricted share awards to Mr. Allison are fair and competitive. Comstock achieved a number of strategic objectives under Mr. Allison's leadership during 2004 including the refinancing of all of its long-term debt, the formation of Bois d'Arc Energy and a \$62 million acquisition of producing oil and gas properties.

\$1 Million Deduction Limit

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the corporate income tax deduction for compensation paid to each executive officer shown in the summary compensation table in the proxy statement of a public company to \$1 million, unless the compensation is "performance-based compensation" and qualifies under certain other exceptions. Our policy is primarily to design and administer compensation plans which support the achievement of long-term strategic objectives and enhance shareholder value. Where it is consistent with the compensation philosophy, the compensation committee will also attempt to structure compensation programs that are tax-advantageous to us. Awards under the 1999 Long-term Incentive Plan qualify as "performance based compensation".

Bois d'Arc Energy, LLC

In July 2004, Comstock contributed certain Gulf of Mexico oil and gas properties to a newly formed entity, Bois d'Arc Energy, LLC. At December 31, 2004, Comstock owned 59.9% of the outstanding equity interests in Bois d'Arc Energy, LLC. Comstock's Chief Executive Officer, M. Jay Allison, and its Chief Financial Officer, Roland O. Burns, also serve as the Chairman and Chief Financial Officer, respectively, of Bois d'Arc Energy, LLC. As compensation for their services rendered to Bois d'Arc Energy, LLC during 2004, Messrs. Allison and Burns received awards of options and restricted units, subject to vesting, in Bois d'Arc Energy, LLC. These awards are reflected in the Summary Compensation Table and the Option Grants Table set forth in this proxy statement. Other than the options and restricted units, Bois d'Arc Energy, LLC has not paid any salary, bonus, or other compensation to Mr. Allison or Mr. Burns. In 2004, Comstock received \$120,000 in compensation for financial and human resources services that it provided to Bois d'Arc Energy, LLC.

Compensation Committee Interlocks and Insider Participation

As of December 31, 2004, the following persons served on the compensation committee: David W. Sledge (chairman), David K. Lockett and Cecil E. Martin, Jr. None of the members of the compensation committee are, or have been, employees of Comstock or are employees of any entity for which an executive officer serves on the Board of Directors.

Audit Committee Report

The audit committee assists the Board of Directors in overseeing: (1) the integrity of Comstock's financial statements, (2) Comstock's compliance with legal and regulatory requirements, (3) the independence, qualifications and performance of Comstock's independent registered public accounting firm and (4) Comstock's performance of its internal audit function. The Board of Directors has made a determination that the members of the audit committee satisfy the requirements of the NYSE listing standards as to independence, financial literacy and experience. The Board of Directors also determined that Mr. Martin is an "audit committee financial expert," as defined by the rules of the Commission. In 2003, the Audit Committee established a procedure for receiving and addressing anonymous complaints regarding financial or accounting irregularities. The Audit Committee set up a toll free ethics and compliance hotline managed by an independent third party. This hotline is available 24 hours a day, 7 days a week to enable employees to communicate concerns to management without fear of retaliation.

Management is responsible for the preparation, presentation and integrity of Comstock's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards. Consistent with its oversight role, the audit committee met with Ernst & Young LLP with and without management present to discuss the results of their examinations and evaluations of Comstock's internal controls. The audit committee also reviewed and discussed Comstock's progress on complying with Section 404 of the Sarbanes-Oxley Act of 2002, including the Public Company Accounting Oversight Board's Auditing Standard No. 2 regarding the audit of internal control over financial reporting.

Ernst & Young LLP served as Comstock's independent registered public accounting firm during 2004, and the audit committee has recommended, and the Board of Directors has approved, the reappointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2005. Representatives of Ernst & Young LLP will be present at the annual meeting and will have the opportunity to make a statement and respond to appropriate questions from stockholders.

In performing its oversight role, the audit committee has reviewed and discussed the audited financial statements with management and the independent registered public accounting firm. The committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The committee has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with Ernst & Young LLP, the firm's independence.

Based on the review and discussions referred to in the above paragraph, the audit committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.

The members of the audit committee are not professionally engaged in the practice of auditing or accounting for Comstock and are not experts in auditor independence standards. Members of the audit committee rely without independent verification on the information provided to them and on the representations made by management and our registered public accounting firm. Accordingly, the audit committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions referred to above do not assure that the audit of Comstock's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles, or that Ernst & Young LLP is in fact independent. The independent registered public accounting firm is responsible for performing an audit of the financial statements and of management's assessment the effectiveness of the Company's internal control over financial reporting in accordance with the standards of the Public Accounting Oversight Board.

Audit Committee's Pre-Approval Policy and Procedures

The audit committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit related services, tax services and other services. Pre-approval is detailed as to the particular service or category of service and is subject to a specific engagement authorization. The audit committee requires the independent registered public accounting firm and management to report on the actual fees charged for each category of service at audit committee meetings throughout the year.

During the year, circumstances may arise when it becomes necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the audit committee requires specific pre-approval authority from the chairman of the audit committee, who must report on such approvals at the next scheduled audit committee meeting.

All fiscal year 2004 audit and non-audit services provided by the independent registered public accounting firm were pre-approved.
